Wine Menu

WELCOME TO THE SPOTTED DOG

We are an independent restaurant working hard to offer you an unforgettable dining experience.

Our full dining menu also offers vegetarian, vegan and gluten free options. The menus are complemented by a broad selection of hot and cold drinks as well as an extensive wine list.

The Front of House team, led by Molly, strive to ensure that your overall experience with us is one to remember.

Our 2 resident chefs, Conor and Phil, take great pride in creating and cooking freshly made dishes with care and passion, using the finest and freshest ingredients which we source locally. This sometimes does lead to slightly longer waiting times, as none of our meals are pre-cooked or bought in pre-made.

If your dining experience with us has not met your expectations today, please let one of the team know, or email Neil at ndoyle@the-spotted-dog.co.uk. We welcome feedback as we are continually trying to improve our food and service. If you have enjoyed your meal and time with us today, please review us on social media and/or Trip Advisor.

As a small business, we really do appreciate your patronage and support.
